Just Like Him

Gus Morton of Archer was in Morrison for a short while Thursday afternoon, and his many friends here were glad to see him. He kept this town laughing while he remained in the place. He attended the County Republican Convention (not as a delegate, however,) which convened in Bronson some time since. His description of the delegates and their actions was rich. He is one man that carries sunshine with him wherever he goes.—Morrison Hustler.

"It is the little rift within the lute which, ever widening, makes the music mute." It is just a little rift in the health of a woman, often, which gradually takes the spring from her step, the light from her eyes, the rose from her cheek and the music from her voice. Perhaps the bug-bear which has frightened the woman from the timely help needed at the beginning has been the dreaded questions, the obnoxious examination, the local treatments, of the home physician. There is no need for these. Nor is there need for continued suffering. Dr. Pierce's Favorite Prescription can be relied on by every woman, suffering from what are called "female troubles," to renew the health and cure the disease. Women are astonished at the results of the use of this medicine. It not only makes weak women "robust and rosy cheeked," but it gives them back the vigor and vitality of youth.

Free. Dr. Pierce's People's Common Sense Medical Adviser, 1008 pages, is sent free on receipt of 31 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Hospital Board

There was a meeting of the hospital board Tuesday in Dr. Eagleton's office, and the old board was re-elected to serve for 1900, consisting of Doctors. S. P. Eagleton, A. L. Izlar, W. V. Newsom, D. M. Smith, J. M. Thompson, E. Van Hood, Ben Rheinauer, C. L. Bittinger and George Mackay. The latter gentleman takes the place of C. H. Campbell, who is now a resident of Charlotte, N. C.

The officers elected for the year were Dr. S. P. Eagleton, president; Ben Rheinauer, treasurer, and C. L. Bittinger, secretary. The latter takes the place of Dr. Izlar, who, having served two years faithfully, insisted that some one else attend to the duties of the office.

The question of vital importance discussed was to provide some means of escape to patients in case of fire.

The only feasible plan suggested was the one proposed by Dr. W. V. Newsom and presented by Dr. E. Van Hood, the former being unavoidably detained by professional business. The plan was to erect an elevator on the outside of the building.

The matter was deemed so important that a committee, consisting of Doctors Izlar, Hood and Thompson, was named to confer with Dr. Newsom, discuss the plan thoroughly, and submit the same to some competent builder to erect.

In this connection it was thought expedient to call on the ladies of Ocala to ascertain their views in regard to getting up the annual hospital fair to defray the expense of the proposed elevator.

It was furthermore the sense of the board that only one entertainment a year be given in Ocala for the assistance of the hospital, and to that end let all labor to make it a social and financial success.

Glorious News

Comes from Dr. D. B. Cargile of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion and builds up the strength. Only 50 cents. Sold by Garrett & Gerig, druggists, Ocala. Guaranteed.
